Property Description

This new development is a boutique residential complex of 15 modern homes in the peaceful area of El Campanario, surrounded by golf courses, select private villas, and luxury apartments. With a contemporary vision, this is an exclusive residential complex of spacious semi-detached homes, with boutique-style amenities - a fully equipped gym, spa, and outdoor swimming pool - enjoying spectacular panoramic views.

Each home features 4 bedrooms, all of them with large picture windows that open to the outside, allowing the rooms to be flooded with natural light. Completely open spaces on the ground floor, seamlessly integrating indoors and outdoors, provide rooms that shine with their own light.

All homes boast underground parking for 2 cars, private gardens, large terraces, spacious solariums, and generous basements, ideal for year-round entertaining with family and friends. Spectacular solariums provide the perfect setting to make the most of the balmy Mediterranean weather.

El Campanario's charming golf course and clubhouse complete this elegant community on the New Golden Mile, serving as a wonderful meeting point for its residents. The surrounding area is also home to various golf clubs - El Paraíso, Atalaya, and Guadalmina- as well as shopping centers with all kinds of services.
