Property Description

Spectacular villa built by the renowned architect Javier Correa, recently fully renovated and decorated as new. The style reminds us of Miami's architecture.

This residence has a large and airy open plan area with fabulous natural light. A double volume entrance leads to the spacious living and dining areas. A fully equipped kitchen is connected to the family room and has access to an independent laundry room and garage.

The ground floor consists of three bedrooms with en-suite bathrooms, all with access to the tropical garden and swimming pool. On the first floor, you will find the master bedroom with an en-suite bathroom and his and hers walk-in closet, along with a 142m² private terrace.

On this floor, there are two additional en-suite bedrooms with private terraces and an office. The property is located in Guadalmina Baja in a secluded south-facing plot with two private entrances, just a stroll away from the beach, schools, and shopping areas.

€ 6,500,000
