Property Description

Exclusive residential development in Benahavis, Costa del Sol, consisting of 53 custom villas with a modern design influenced by Automobili Lamborghini. This project is the developer's first in Spain and aims to offer a unique architectural style. Located in the sought-after area of Benahavis, the complex is built on terraced land surrounded by golf clubs and resorts, with Marbella nearby. The thoughtful placement of the villas at different heights ensures residents have clear views of the Mediterranean Sea and nearby golf courses. There are three different villa designs - Zafiro, Esmeralda, and Diamond. The villas feature clean lines, quality materials, and innovative features. They are not only ideal for those who require additional rooms for their family members, but also for those who value having extra space for guests or a home office. A unique balance of privacy and roominess makes them a popular choice for those seeking a cozy yet spacious living environment. The development also includes a modern CCTV security system within a gated community, ensuring a safe environment. Construction is set to begin at the end of 2023 and is expected to be completed by mid-2026, making this development a timely investment opportunity. The developer behind this unique complex focuses on luxury and innovation and is known for projects in cities like
