Property Description

This very large villa is currently under construction, and the price is for the house as is, in its ongoing state of construction. Situated in a very quiet dead-end street in El Paraiso, facing East.

The entrance hall opens onto a very large living/dining room with an open plan fully equipped kitchen, all of which connects with the terrace overlooking the future garden and pool. On the first floor, we find four good-sized bedrooms, all with en-suite bathrooms. The master bedroom is very large and has its private terrace. On the top floor, there are another two bedrooms with en-suite bathrooms.

On the basement level, there is a project for an indoor pool, spa, home cinema, and games room with a bathroom, and at the entrance level of the house, a three-car garage is planned to be built. Underfloor heating throughout. Solar energy and many more extras make this property worth a
